Dear Mr. Walker:

This letter is prompted by the request of your office for an amendment to the above-mentioned reporting. Laborers' Political League has requested the following:

- We have amended the above report to correct the filing for a check issued to the Democratic Congressional Campaign Committee. This check was issued as a federal contribution designated to Non-Federal. A copy of the transaction sent out is enclosed for your records. This contribution was reported in error to the FEC and a negative entry has been entered to fix the report.
- We have requested a refund be issued for a contribution made to the North Dakota Democratic Party due to an excess of the amount, which was allowed. We made the contribution with the understanding that the North Dakota Democratic Party and the North Dakota Democratic-Non Partisan League Party were two separate Parties. Enclosed is a copy of the refund request.
- We have enclosed a copy of the contribution sent to Kelly for Congress. This contribution was reported wrong on our report we issued this contribution to the General not Primary we have corrected the FEC report and are enclosing a copy of the original check which shows the correct designation.
